New Fuorisalone 2022 commercial offer for the Fuorisalone Design Guide

Given the high number of subscriptions to the Fuorisalone.it communication plan and not being able to guarantee visibility on social channels and newsletters during the Design Week days, we have defined a new commercial format to let companies be present in the online guide.

Following, the new offer:

Pack Digital Light – Fuorisalone.it

Fuorisalone.it website

- event page with FOCUS visibility
- brand page
- linked designer pages
- pin on the Fuorisalone digital map

Fuorisalone TV:

- possibility to include original video content (excluding commercial spots)

€: 1.000 + VAT

Please Note: to join the new offer, we require a confirmation email to info@fuorisalone.it with the company name. Once we have received the confirmation email, we will send the registration contract.
